# Dual-Circuit Belt Pack Hook-up Options

## Applications Notes

YC-5F  
YC-5M  
EX-5xx  
WP-5M  
SB-2  
and individual  
connectors  
are available from  
Production Intercom Inc.

About 5-Pin XLR's:  
The choice of 5-pin XLR's in this application was made because a minimum of 4 pins is necessary, but:  
a) 4-pin connectors are used for headsets, and;  
b) 6-pin connectors are not compatible from one maker to another.
